

JASON KUKREJA AWARDED PHYSICAL SECURITY PROFESSIONAL (PSP) CERTIFICATION BY ASIS INTERNATIONAL.

FOR IMMEDIATE RELEASE

Anaheim, CA (September 11, 2003) – Jason Kukreja, CET, PSP was awarded Board Certification as a Physical Security Professional (PSP) by the Professional Certification Board of ASIS International, based in Alexandria, VA.

Jason Kukreja is Principal for Jason Kukreja & Associates, a full service consulting & engineering firm located in Anaheim, California.

The PSP designation is the certification for those whose primary responsibility is to conduct threat surveys, design integrated security systems that include equipment, procedures and people, or install, operate and maintain those systems. The certification requires the minimum experience documentation as well as passing a examination. In addition, certified professionals are required to submit proof of continued industry experience every 36 months, in order to remain certified.

The Professional Certification Board (PCB) was established by ASIS to elevate the professional standing of the security profession and improve the practice of security through testing and certification of individuals meeting prescribed eligibility standards.

ASIS International, with more than 33,000 members, is the preeminent international organization for professionals responsible for security, including managers and directors of security. In addition, corporate executives and other management personnel, as well as consultants, architects, attorneys, and federal, state, and local law enforcement, are involved with ASIS and deal with the constant changes in security issues and solutions.
